in an afternoon of henna, dance, food, and fun  
as we bring the Middle East to the Midwest.

## *Participate*

in the serene ritual of henna painting: the ancient art of using henna  
to decorate hands and feet with intricate patterns.

## *Energize*

as Jawaahir opens the party with a short performance,  
then cut loose with your own steps during the open dancing.

## *Rejuvenate*

with an assortment of beverages and light snacks.

with Company members and fellow dance enthusiasts.
