How have MTV and YouTube influenced the Arab world? More than you know!
Join Cassandra and Jawaahir Dance Company for an ecstatic, eclectic, energizing, and enlightening evening of contemporary dances from the Arabic-speaking world.

With the lush sounds of the al Hareem Orchestra, Cassandra will explore the enchanting energies of the usually unseen: a night in the women's quarters. Visit the hidden treasures of dance and music that lie behind the *masharabiyya* — the screens that isolate the women's quarters.

New choreographies by Cassandra for Jawaahir Dance Company.
Stage design by Hend al-Mansour. Lighting design by Jeff Bartlett.
